

Adelaide Hills Productivity and Road Safety Package Balhannah intersection upgrades

Project update – April 2026

We are delivering productivity and road safety upgrades in Balhannah

These upgrades have been funded under the \$150 million Adelaide Hills Productivity and Road Safety Package (AHPRS), which is jointly funded by the Australian (80%) and South Australian governments (20%).

Major construction works on the **new single-lane roundabout at the intersection of Onkaparinga Valley Road, Nairne Road and Junction Road**, and **safety upgrades at the intersection of Junction and Jones Roads** in Balhannah are now complete.

Some minor finishing works will be completed by end of May 2026 (weather permitting), with speed restrictions in place when required.

We would like to thank the community for their patience and understanding while we completed these important productivity and road safety upgrades.

Enhanced safety and access in Balhannah

Greater pedestrian connectivity
