

Access and Inclusion

Easy Read Feedback Form

We would like your help to understand what makes a space or place accessible and welcoming and when you feel the most included and connected to your community.

Your ideas and experiences will help us develop our Disability Access and Inclusion Plan 2026-2030.

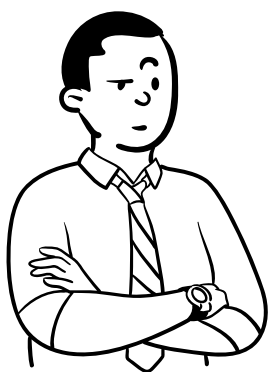

What is a Disability Access and Inclusion Plan or a DAIP?

A DAIP is a plan that helps make things better for people with disability.

Adelaide Hills Council is making a new DAIP.

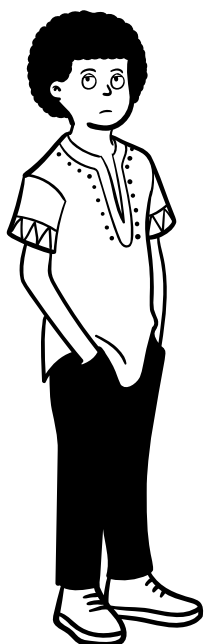

This will make our services easier to use and make sure people with disability can join in

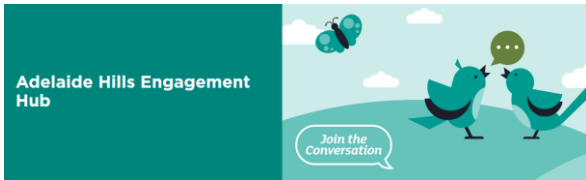

Ways you can help us

We want you to tell us about your experiences:

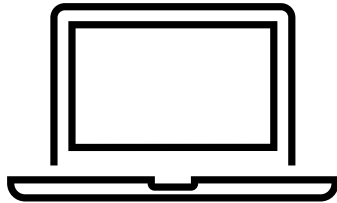

- What makes it hard to use Council services?
 - What would help you?
 - Which places need to be made easier to access?
 - What should we work on first?
- Your ideas will help us decide what we should do to make Adelaide Hills better for everyone.

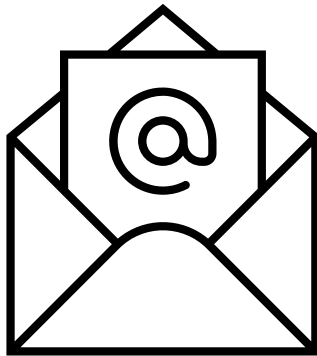

Ways you can talk to us

We will have some workshops and meetings in different places like libraries and markets.
