

Community Survey

Talking about your place

Calling all Adelaide Hills community members! This is your opportunity to provide feedback on how we are going as an organisation and to share what is most important to you!

Every two years we undertake a community perception survey to help us understand what we're doing well, where we could improve, what you love about living in the Hills and your ideas for the future.

We want to hear from people of all ages and backgrounds from right across our community. We have created a special survey for Hills residents aged under 18 to make it easier for young people to get involved.

Feedback received during this year's Community Survey will be compared against results we have received in previous years and used to assist with planning for future council initiatives.

Those who complete the survey can select to go into the draw to win one of three vouchers to Warrawong Wildlife Sanctuary, Cleland Wildlife Park or Gorge Wildlife Park.

Share your feedback and ideas via one of the following ways:
