

Adelaide Hills Productivity and Road Safety Package

Night works notice – North East Road

We are delivering the Adelaide Hills Productivity and Road Safety Package to upgrade key strategic arterial roads in the region

The \$150 million initiative is jointly funded by the Australian Government (80%) and South Australian Government (20%) over five years.

What's happening

We are commencing asphalt works on North East Road, from Houghton to Inglewood. To minimise the disruption to road users, these works will be undertaken **at night**. Intermittent day works will also be carried out.

How this affects you

To keep everyone safe during night works, speed and lane restrictions will apply throughout the worksite. **North East Road will be closed between Houghton Hollow Road and Blackhill Road during night works.** Please see map overleaf for detour information.

Speed and lane restrictions will be in place at other times as required. Please plan your trips, observe signage and follow the direction of onsite traffic controllers.

During the works, there will be some noise from time to time, but we'll do our best to keep any noise to a minimum. You may also notice some odours, which is normal during asphalt work.

Access to businesses and surrounding properties will be maintained. Any temporary impacts to access during construction will be discussed with impacted residents in advance.

We thank you for your understanding while we undertake these important safety upgrades.

When

21 September until mid-October 2025, weather permitting

Hours of work

Intermittent day works

Monday to Friday 9am – 4pm

Saturday 9am – 5pm

Night works

Sunday to Friday 7:30pm to 6am

Where

North East Road, Houghton to Inglewood.
