Dear Business Owner,

HOW IS YOUR FOGO TRIAL GOING

Adelaide Hills Council and East Waste are pleased that since the launch of our FOGO (food organics and garden organics) Trial on 24 October 2023, we have been able to support 622 participants across three different locations including the Businesses in the **Woodside Township Trial Area**. The Trial will continue until October 2024 and provides the opportunity to significantly improve food waste diversion and reduce waste to landfill in the Adelaide Hills Council area.

The Trial involves:

- Providing you with the opportunity to receive an organics bin (green lid) for food organics and garden organics (FOGO), which is collected weekly.
- The general waste (blue lidded) bin changed from a weekly to a fortnightly collection, and
- The (yellow lid) recycling bin continued to be collected fortnightly.

Council has received very positive feedback with residents and businesses embracing the Trial. We would like to **congratulate and thank you for participating!** We have worked with businesses to assist with any concerns or challenges they were experiencing with the Trial and have welcomed all feedback received.

We are now seeking additional feedback from all participants on the Trial to date and your experience and feedback will inform Council's future waste decisions.

IT'S SUPER EASY TO PROVIDE YOUR FEEDBACK

To assist Council to understand your experience so far, please provide your feedback by Friday 3 May 2024, via any of the opportunities below:

- Please scan the QR code to complete our online survey.
- Download a hardcopy survey <https://engage.ahc.sa.gov.au/green-organics>
- Email or call Aliza on the contact details below to request a paper copy of the survey or to provide your feedback over the phone.

For those who provide their email address via the survey, we will keep you informed of the survey outcomes and further Trial updates.

For further information or support please email afuller@ahc.sa.gov.au or call Aliza Fuller on 8408 0582.

Thank you for participating in the weekly FOGO Trial and we look forward to hearing from you.

Please note that if you are the Ratepayer for this property but not residing at the property, we would appreciate it if you could forward this letter on to the business owner at the property.

Yours sincerely

Aliza Fuller

Waste Management Coordinator

Adelaide Hills Council
