

Hills Local Laws

Help us review our By-laws

Help us review our six existing By-laws and provide your feedback on a proposed new By-law for domestic livestock and bee management.

By-laws are local laws created by Council to manage issues specific to areas under our care and control – from pets to waste, trees to signage and boats.

Some by-laws are in place to protect the comfort and safety of our community while others seek to prevent damage to local government land.

We review our by-laws every 7 years to ensure they meet the current needs of our community and to meet our obligations under the Local Government Act 1999.

There are some things we cannot create by-laws for, for example, things that are the responsibility of state or federal government.

We currently have six By-laws that cover the below areas:

- Permits and Penalties
- Moveable Signs
- Local Government Land
- Roads
- Dogs
- Cats

We are proposing to add an additional By-law for domestic livestock and bee management.

To view all proposed changes in detail, please visit Adelaide Hills Engagement Hub and review the 'summary of changes' document or compare the existing By-law to the proposed By-law.
