Re: Protea Reserve Play Space Upgrade, Crafers

Dear Resident,

Moduplay Group is pleased to inform you that we will soon be commencing the upgrade of Protea Reserve Play Space!

Works will commence on Monday the 4th of March 2024 and we hope to be complete by the end of April 2024, all going well and the weather remaining in our favour.

During this time you can expect the presence of construction crew, vehicles and machinery. We will ensure temporary fencing is in place around the site and site safety protocols are followed to ensure the safety of the local community and our crew.

Thanks so much for your input in creating this wonderful playground design, we can't wait to deliver it for you and let the kids (and adults) get on with playing!

If you have any concern or queries about the construction, please contact:
