

Lights of Lobethal Dry Zone

Have your say

We are seeking feedback on a proposed dry area in the Lobethal township to run between 7:00pm and 7:00am every night between Thursday 10 December 2026 and Friday 1 January 2027

As this period is longer than 48 hours public consultation is required.

The declaration of this dry area is made annually to ensure activities in Lobethal township remain 'family friendly' and to allow SA Police to proactively manage potential alcohol-related anti-social behaviour during this period.

This dry area has been well received in recent years and is considered to be a successful initiative. You can share your thoughts or find out more info at: engage.ahc.sa.gov.au
