

Share your thoughts: Draft Regional Public Health Plan consultation

Consultation is now open on the draft Southern and Hills Regional Public Health Plan 2022-27. This plan highlights how we will work together to protect and promote the health and wellbeing of residents in the region.

The draft plan has been prepared by the six Councils of the Southern & Hills Local Government Association.

It outlines focus areas for working together to address regional public health issues. The six Councils are seeking your feedback to help finalise their joint plan, before it is adopted later in 2022.
